

# It's Amazing by Morgan S.

This is now. It's amazing.

It's amazing.

Make the world more beautiful.

Beautiful.

It's amazing. It's amazing.

Green grass, blue sky, yellow sun, brown trees.

The trees blow slowly with the breeze.

Some have apples on them, some have flowers,  
cherries but all are needed for breathing.

This is now.

It's amazing. It's amazing.

It's amazing. Make the world more beautiful.

Beautiful.

It's amazing. It's amazing.

Green grass, blue sky, yellow sun, and brown trees.
